OF EMERGENCY SERVICES

# SITUATION SUMMARY

## **Protests (Update)**

Cal OES Law Enforcement Branch is actively monitoring statewide protests in response to the decisions by Grand Juries in Ferguson, Missouri and New York City. Protests occurred last night in Berkeley with the media reporting that protesters vandalized cars, smashed windows, looted businesses and hurled rocks at police. Berkeley Police said that smoke and tear gas had to be used to disperse crowds. Numerous officers were struck with one officer treated for a dislocated shoulder after being hit by a sandbag thrown by a protester. Local Police were reinforced by more than a hundred officers from other local police departments, California Highway Patrol and the County Sheriff's Office. Law Enforcement Branch (LEB) personnel will continue to monitor developments in their respective regions.

## **Cal EOC Incident – 2014 Drought**

- SOC / Inland REOC remains activated in support of 2014 Drought

# WEATHER

## WEATHER SYNOPSIS BY REGION:

### **NORTHERN CALIFORNIA AND CENTRAL COASTAL AREAS:**

#### **Eureka Weather:**

A low pressure system will approach the coast today bringing light to moderate rain by this evening. A chance of rain will persist Monday through Tuesday. A stronger storm will arrive around midweek bringing heavy rain Wednesday night into Thursday.

#### **San Francisco Weather:**

Patchy dense fog will occur early Sunday morning, mainly near the Delta and also locally in the valleys. Light rain may develop in the North Bay by late this afternoon and there is a chance of light rain from tonight through Monday evening, but mainly across the northern part of the area. A strong Pacific storm system is forecast to impact northern and central California beginning late Wednesday. This storm system is expected to produce heavy rain and strong, possibly damaging, winds from late Wednesday through early Friday.

### **CENTRAL CALIFORNIA AND SOUTHERN SAN JOAQUIN VALLEY**

#### **Sacramento Weather:**

Showers will be possible across parts of the forecast area through Tuesday. A major storm with heavy rain and strong winds will move through the area Thursday and Friday.

#### **Hanford Weather:**

High pressure will prevail today before another weak weather system skirts across the northern portion of the state on Monday. A much stronger storm is expected by late in the week bringing a threat of precipitation to much of the forecast area.

# WEATHER

## WEATHER SYNOPSIS BY REGION:

### **SOUTHERN CALIFORNIA:**

#### **Los Angeles Weather:**

There may be a few clouds today in most areas as a weak system approaches the Central Coast tonight and Monday. High pressure will return Tuesday and Wednesday with warmer temperatures before a stronger storm system is expected to arrive later next week.

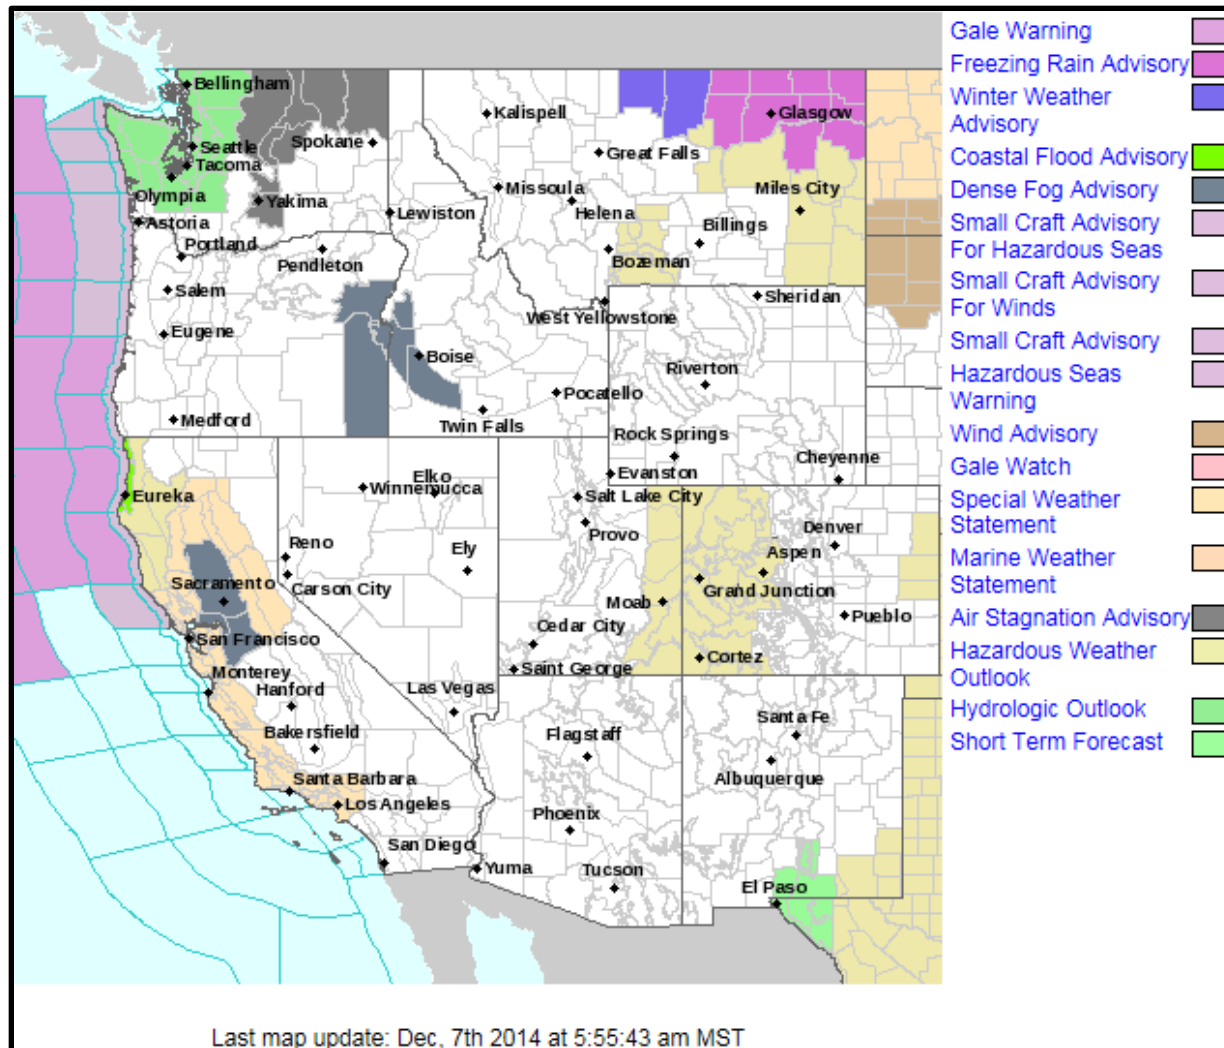

#### **Extreme Southwestern California Including Orange, San Diego, Western Riverside and Southwestern San Bernardino Counties:**

The forecast area will be mild and dry through Wednesday under weak high pressure aloft. Patchy low clouds and fog are possible along the coast each night and morning. It will be cooler Thursday and then a Pacific storm system will bring colder weather, gusty winds, and the potential for widespread rain and mountain snow by Friday.

#### **Southeast California Weather:**

Dry and warmer weather is forecast today through Thursday with occasional high clouds. There is a possibility of a strong wet Pacific storm next Friday and Saturday.

# **RECOVERY ACTIVITIES**

## **Boles Incident Vegetation Fire- City of Weed, Siskiyou County**

### **Recovery Activities**

- On 10/01/14, the U.S. Small Business Administration (SBA) approved a disaster declaration making SBA assistance available in the primary County of Siskiyou and the contiguous counties of Del Norte, Humboldt, Modoc, Shasta, and Trinity, making low-interest federal disaster loans available to homeowners, renters, businesses of all sizes and private nonprofit organizations whose property was damaged or destroyed by the Boles Fire. The application deadline for property damage was 12/01/14. The deadline to return economic injury applications is 07/01/15.
- On 10/06/14, the Governor issued Executive Order (EO) B-27-14, which provides CDAA, and debris removal assistance, including the suspension of rules and regulations impacting debris removal. The EO also provides the ability for nonprofit organizations to seek reimbursement for extraordinary activities through the State Private Nonprofit Organizations Assistance Program.
- The Cal OES VAL continues to coordinate and participate in Long Term Recovery Group (LTRG) meetings with NGO, Faith Based, and local agencies. Shasta Community Foundation was identified as a fiscal agent for the group. Individuals needing assistance should be directed to the Family & Community Resource Center of Weed located at 260 Main Street, Weed. Funding organizations will assist with unmet needs through the case management process. The VAL continues to work with the Weed LTRG in identifying resources and gaps in services.
- The College of the Siskiyou's website contains a Fire Resource List of various local agencies offering goods and services. The document can be found at <http://www.siskiyous.edu/humanresources/documents/fireresourcelist.pdf>. Additional information on recovery efforts can be found at <https://weed.recovers.org/>.
- Non-perishable food donations are being accepted at 310 Boles Street.
- The hazardous tree removal process is expected to be completed by 12/15/2014, weather permitting.
- Debris removal for all participating properties is complete. All sites have been tested and have met the cleanup goals for the project.
- On 10/28/14, the City of Weed reestablished water pressure to its downtown area; however, the water storage capacity for fire suppression is still lacking. The City expects water storage to be restored by 12/31/14, or sooner if the weather permits.

# **RECOVERY ACTIVITIES**

## **Boles Incident Vegetation Fire- City of Weed, Siskiyou County**

### **Cal Recycle reports:**

The professional tree faller anticipates completing the removal of hazardous trees by 12/05/2014.

A total of 29,651.21 tons of debris was removed (484.82 tons of metal delivered for recycling; 8,210.82 tons of concrete delivered for recycling; and 20,955.57 tons of debris, ash and soil delivered for disposal).

To date:

- 134 Sites registered for the removal project (Right-of-Entry, includes library, community center and 2 churches).
- 11 Sites denied entry.
- 134 Sites documented.
- 134 Asbestos surveys completed.
- 65 Sites with asbestos containing material.
- 65 Sites cleared of asbestos containing material.
- 134 Debris removal completed.
- 134 Sites sampled.
- 136 Sample results approved.
- 136 Sites with erosion control completed.
- 136 Sites approved by City of Weed as ready for a building permit.

# **RECOVERY ACTIVITIES**

## **Magnitude 6.0 Earthquake, American Canyon, Napa County**

- Cal OES and FEMA announced that the Major Disaster declaration for the South Napa earthquake will also include the Individuals and Households Program under the Stafford Act. This amendment makes assistance available to help homeowners and renters recover from the earthquake.
- Low-interest federal disaster loans are now available to California residents and business owners as a result of President Obama's major disaster declaration. The declaration covers Napa and Solano counties as a result of the South Napa Earthquake and aftershocks that occurred August 24 – September 7, 2014.

### **Recovery Activities**

- RPA: 62 RPAs were received and 10 have withdrawn for a total of 52 RPAs submitted to FEMA.
- Kickoff Meeting: 49 Kickoff Meetings have been completed; leaving 2 remaining to be scheduled once through FEMA's review queue. It is currently anticipated all kickoff meetings will be complete by 12/17/2014.
- PW: 250 PWs are anticipated to be written as a result of the Napa Earthquake. Currently, 24 PWs are drafted, 19 PWs have been entered into the federal database system, 8 of which have been obligated.
- The FEMA and State VAL continue to work with nonprofit organizations in Napa County regarding Long Term Recovery efforts.
- Cal OES IA Voluntary Agency Liaison (VAL) continues NGO coordination in Solano County. The Vallejo Earthquake Recovery Group (VERG), a long term recovery group, has formed and has established by-laws and elected an Executive Board. United Methodist Committee on Relief (UMCOR) will provide case management training to local organizations in Napa and Solano counties.
- Assistance Centers – The County and City of Napa: Local Assistance Center (LAC) opened on 09/08/14 at 301 1st Street, Napa (corner of 1st Street and Silverado Trail). On 10/29/14, FEMA and SBA provided representatives in the Napa LAC. The operational hours for the LAC are Monday - Friday 9 AM to 6 PM; Saturdays 9 AM to 4 PM; Sundays closed. The Disaster Recovery Center located at 1155 Capitol Street in the City of Vallejo officially closed at 6 p.m. on 11/25/14, and on Monday, 12/01/14, SBA opened a Disaster Loan Outreach Center (DLOC) at the John F. Kennedy Library, 505 Santa Clara Street, 3<sup>rd</sup> Floor, Vallejo. The operational hours for the DLOC are Monday – Thursday 10 AM to 6PM; Fridays 10 AM to 5 PM. Both the LAC and DLOC are open until further notice.

# CAL OES 2014 DROUGHT

## Cal EOC Incident – 2014 Drought

- The SOC, Inland, Coastal, Southern REOCs and the Santa Barbara County EOC are activated in support of the Drought State of Emergency and continue to monitor the situation.
- The Governor issued an Executive Order on 09/19/14, to streamline relief efforts for families with drinking water shortages due to drought. Specifically, through the California Disaster Assistance Act, to provide temporary water supplies to households without water for drinking and/or sanitation purposes.
- CDAA 2014 Drought Fact Sheet and Frequently Asked Questions provided to Regions for reference and distribution.

# CAL OES MISSIONS

## Ongoing Cal OES Missions

- **2014-LAW-7713, 12/2/14:** Fresno County Sheriff is requesting a Mobile Interoperability Gateway Unit (MIGU) to serve as a radio repeater in support of their annual Christmas Tree Lane event. This event will be held on 12/2 and 12/9. It is expected to attract 20,000 people per night. **Mission Ongoing.**

## Closed Cal OES Missions

- **2014-LAW-7742, 12/5/14,** Sacramento County Sheriff's Department (SCSD) requested two water HRD dogs ASAP to search the immediate area around the docks where an elderly MP resides on a houseboat and is believed to have fallen in on 12/1, the last day the family had contact with him. The CP is the Walnut Grove Public Docks on the River Road, Sacramento. The Cal OES Law Enforcement Branch coordinated the requested resources. **Update 12/5/14, 1908 hours:** SCSD advised the K-9's did not locate the MP's remains but did alert on an area in/around a catamaran at the public docks. This area will require the catamaran to be moved, which will take place on Saturday, 12/6/14 in the morning. **Update 12/6/14, 1300 hours:** SCSD requested the same K-9 Handler/dog respond back to the scene for another search of the area around the catamaran. Cal OES LEB K-9 coordinator confirmed the handler was en route with an ETA of 1600 hours. At 1730 hours, SCSD advised all mutual aid has been released and search efforts were completed with negative results. **Mission Closed.**
- **2014-LAW-7724, 12/3/14:** Tehama County Sheriff is requesting Cal Fire equipment and expertise to recover the remains of suicide victim. The victim drove his vehicle off of a cliff in the Devil's Den area of Tehama County. The victim's body is trapped in the vehicle in a very rugged area and the vehicle is severely damaged. Cal Fire's specialized training and equipment will be needed to recover the victim. The recovery is scheduled for 12/5/14. **Update 12/6/14, 1954 hours:** LDO contacted Tehama County SO who advised the body recovery was accomplished in the afternoon on 12/6/14. **Mission Closed.**

**Mission:**

We protect lives and property, build capabilities, and support our communities for a resilient California.

*We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.*
